

PRIVATE LABEL

THE NEXT REVOLUTION IN ESPRESSO

Your coffee, our process—welcome to custom bottled espresso at scale.

The Ultimate Private Label Espresso Solution

Our private label program transforms your roasted beans into premium, bottled espresso while preserving your unique coffee profile. We handle brewing, packaging, and quality control so you can focus on scaling your brand.

> YOUR BEANS, YOUR ROAST, OUR EXPERTISE

Your signature flavor in every bottle

> PRECISION BREWING AND BATCH TESTING

Ensuring flavor consistency, crema quality, and food safety

> SCALABLE AND COST-EFFECTIVE

Expand into new markets without investing in production infrastructure

X PRESS

IS THE SOLUTION FOR:

Maintaining Coffee Identity

- Traditional methods dilute or alter coffee profiles
- We preserve the integrity of your beans through precise extraction
- Every batch undergoes rigorous quality testing before bottling

Scaling Without Overhead

- No need to invest in expensive espresso machines
- Eliminate waste, labor costs, and barista training

Expanding Revenue Streams

- Sell bottled espresso in retail, wholesale, or direct-to-consumer
- Increase brand awareness and product diversification
- Leverage pre-packaged, ready-to-drink espresso solutions
